2.2 the licensee of any potential licensing violations noted. The notification must include
2.3 the condition that constitutes the violation, the action that must be taken to correct the

2.12 family child care and group family child care programs must complete at least eight hours
2.13 of training on state statutes, administrative rules, and department policies related to the
2.14 licensing and regulation of family child care and group family child care programs. The
2.15 department must develop the training curriculum to ensure that all county staff who perform
2.16 licensing and inspection functions receive uniform training. This training must include:

2.17 (1) explicit instructions that county staff who license and perform inspections
2.18 must apply only state statutes, administrative rules, and Department of Human Services
2.19 policies in the performance of their duties. Training must reinforce that county staff are
2.20 prohibited from imposing standards or requirements that are not imposed by statute, rule,
2.21 or approved state policy;

2.22 (2) the rights of license holders, including their grievance and appeal rights. This
2.23 training must include information on the responsibility of the county staff to inform license

2.28 the applicability of a statute or rule to the alleged violation.

2.29 (b) To ensure consistency among all licensing staff, the commissioner must develop
2.30 a procedure by which the department will implement increased training and oversight of
2.31 county staff who perform licensing functions related to family child care licensing. This
2.32 procedure must ensure that the commissioner conducts at least biennial reviews of county
2.33 licensing performance.

2.34 (c) Each calendar year, county agency staff who license and regulate family child
2.35 care providers and group family child care providers and their supervisors must receive

3.1 notice from the commissioner on new laws enacted or adopted in the previous 12-month
 3.2 period relating to family child care providers and group family child care providers. The
 3.3 commissioner shall provide the notices each year to include information on new laws and

 3.10 requirements, or resolving disputes with state agencies or other political subdivisions.

3.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

3.12 **Sec. 5. LEGISLATIVE TASK FORCE ON CHILD CARE.**

3.13 Subdivision 1. **Creation.** A legislative task force on child care is created to review

 3.27 in which this training aligns with Minnesota's Career Lattice and Minnesota's Knowledge
 3.28 and Competency Framework for Early Childhood and School-Aged Care Practitioners;

3.29 (4) review the availability of training that is in place to meet the training needs of
 3.30 providers, including the content of this training, cost, and delivery methods;

3.31 (5) consider creation of a board of child care to be responsible for all matters related
 3.32 to licensing of child care providers, both in-home and center-based programs, and to

4.1 (6) review the process of issuing and resolving correction orders issued to child
 4.2 care providers;

4.3 (7) consider uniform training requirements for county employees and their

4.7 (9) review the time it takes for the department to provide Child Care Assistance
 4.8 program reimbursement to providers.

4.9 (b) Task force members may receive input from the commissioners of human
 4.10 services and economic development, providers, and stakeholders to review all action items.

4.11 Subd. 4. **Recommendations and report.** The task force, in cooperation with the
 4.12 commissioner of human services, shall issue a report to the legislature and governor by
